To ensure the best viewing for all spectators, the spectators will also rotate their seats halfway through the meet to ensure they are facing the correct apparatus that their team is competing on.
- Awards:** Awards will be held in the gym after each session. Medals and trophies are awarded to the top 50% of each level and age breakout.
- Results:** Results can be found at tcgymnastics.com. Live results can be viewed on www.mysuagym.com or the USAGym app.
